05/30/2021		IMPORTANT NOTICE: The United States District Court for the Northern District of West Virginia (WVND) will be upgrading its current CM/ECF system to the Next Generation of CM/ECF (NextGen CM/ECF) on July 19, 2021. Complete information

		<p>regarding the WVND NextGen CM/ECF implementation can be found here. Currently, many attorneys within a firm may share a single PACER account. This will no longer be allowed with the New WVND NextGen CM/ECF system because each attorney must have an individual upgraded PACER account that will be linked to their e-filing account. Shared PACER accounts cannot be used by WVND e-filing attorneys once the WVND NextGen CM/ECF system is implemented. Preparing for NextGen CM/ECF is a two-step process. Step one is to upgrade your PACER account, and step two is to link your upgraded PACER account to the WVND e-filing account in the upgraded NextGen CM/ECF system. This notice only addresses the first step because the second step cant be completed until on or after July 19, 2021. The first step is to check and see if your PACER account is an upgraded PACER account. Many PACER accounts have already been upgraded. If any of the following is true, you have un upgraded PACER account and no action is required until after the WVND NextGen CM/ECF upgrade occurs on July 19, 2021: 1) You have a an upgraded PACER account for another NextGen court; or 2) Your PACER account was created after August 10, 2014. If none of these are true, you must upgrade your legacy PACER account before you will be able to link your PACER account to your current WVND CM/ECF account for your new NextGen CM/ECF account. Additional notices will be sent later detailing how to handle the second step in this process. If you still have questions, please contact the PACER Service Center at 800-676-6856 or the WVND Clerks Office CM/ECF Help Desk at (304) 267-5682. (cmd) (ADI) (Entered: 05/30/2021)</p>

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Non-Compliance</u>
1	<u>Mandatory Condition No. 1:</u> You must not commit another Federal, state, or local crime.
2	<u>Mandatory Condition No. 2:</u> You must not unlawfully possess a controlled substance.
3	<u>Mandatory Condition No. 3:</u> You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests, thereafter, as determined by the court.
4	<u>Standard Condition No. 3:</u> You shall not commit another Federal, state, or local crime.
5	<u>Standard Condition No. 4:</u> You shall not unlawfully possess a controlled substance. You shall refrain from any unlawful use of a controlled substance. You shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests, thereafter, as determined by the probation officer.

6 Standard Condition No. 6: You must answer truthfully the questions asked by your probation officer.

On February 14, 2025, the defendant reported to the probation office for his supervised release intake interview. During the initial interview, the defendant denied any recent use of illicit substances. The defendant submitted to a urine test, which returned positive results for cocaine and his prescribed Suboxone. When confronted with these results, the defendant ultimately admitted to using cocaine on February 11, 2025. The defendant completed a written admission statement regarding his drug use, which is attached for the Court's review.

7 Standard Condition No. 19: You must follow the instructions of the probation officer related to the conditions of supervision.

8 Special Condition No. 1: You must participate in a substance abuse treatment program. The probation officer will supervise your participation in the program (provider, location, modality, duration, intensity, etc.).

On February 14, 2025, the defendant was referred for weekly substance abuse treatment at the Berkeley County Day Report Center (DRC).

On February 28, 2025, the undersigned officer received a treatment status report from Erin Rivers, the defendant's therapist at the Berkeley County DRC. Ms. Rivers reported the defendant originally scheduled his intake appointment for February 20, 2025, but called the morning of the appointment to reschedule to February 22, 2025, due to transportation issues. On February 22, 2025, the defendant failed to report for his substance abuse treatment intake appointment.

10 Mandatory Condition No. 2: You must not unlawfully possess a controlled substance.

11 Mandatory Condition No. 3: You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests, thereafter, as determined by the court.

On March 3, 2025, the defendant reported to the probation office as directed for a urine screen. Prior to a drug test, the defendant admitted to using "crack" on February 28, 2025. The defendant completed a written admission statement regarding his drug use, which is attached for the Court's review.

- 14 **Standard Condition No. 5:** You must not knowingly leave the federal judicial district where you are authorized to reside without first getting permission from the Court or the probation officer.

- 15 **Standard Condition No. 10:** You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting permission of the probation officer.

- 16 **Standard Condition No. 19:** You must follow the instructions of the probation officer related to the conditions of supervision.

- 17 **Special Condition No. 4:** You must not go to, or remain at, any place where you know controlled substances are illegally sold, used, distributed, or administered without first obtaining the permission of the probation officer.

On March 3, 2025, during the office contact with the defendant, he admitted to staying away from his approved residence from February 27, 2025, through March 2, 2025. The defendant reported he and his mother had a "misunderstanding," and he decided to leave the residence for a few days. He reported he was staying with friends in the same neighborhood as his residence. The defendant advised he was hanging out with an acquaintance who was providing him cocaine. The defendant did not obtain prior authorization to stay away from his approved residence overnight as required by the conditions of supervised release.

Violations 1-17 were reported to the Court on March 5, 2025, with a request for a summons. The Court issued a summons, and the defendant is scheduled for an initial appearance before the Honorable Robert W. Trumble, U. S. Magistrate Judge, on April 2, 2025.
